PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate with a CGPA of 8.88/10 and hands-on experience in Artificial Intelligence, Machine Learning, Data Science, and Software Development.

Proficient in Python, Java, SQL, JavaScript, and C/C++ with practical experience gained through internships and real-world projects. Skilled in developing AI-powered applications, predictive models, and data-driven solutions. Passionate about problem-solving, continuous learning, and leveraging technology to build impactful and scalable solutions.

SKILLS

Programming: Python, Java, JavaScript, C, SQL, R

Frameworks: React (Basic), Node.js & Express.js, Bootstrap, TensorFlow (Basic)

Tools & Databases: Git & GitHub, VS Code, Android Studio, Jupyter, MySQL, MongoDB (Basic)

Soft Skills: Data Analysis, Problem Solving, Quick Learning, Team Collaboration

Core Subjects: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks.

INTERNSHIPS

Data Science & Data Engineering Intern

April, 2026 - June, 2026

SkillDzire

- Developed machine learning models and performed exploratory data analysis on real-world datasets to generate actionable insights and improve predictive performance.
- Applied data preprocessing, feature engineering, and model evaluation techniques using Python and data science libraries.
- Built AI-driven solutions by integrating machine learning workflows with practical business and analytics use cases.

AI/ML Intern

April, 2026 - May, 2026

InternPe

- Designed and trained machine learning and deep learning models for predictive analytics and real-world problem-solving applications.
- Developed a Breast Cancer Detection System using TensorFlow, achieving reliable classification through data preprocessing and model optimization.
- Evaluated model performance using industry-standard metrics such as Accuracy, Precision, Recall, and F1-Score.

PROJECTS

Air Canvas Pro | Python, OpenCV, MediaPipe

April, 2026 - June, 2026

GitHub Link: <https://github.com/Nikithasai729/Air-Canvas-Whiteboard>

- Developed an AI-powered gesture recognition system enabling touch-free digital drawing through real-time hand tracking and computer vision.
- Implemented gesture-based controls for drawing, color selection, and canvas management to enhance user interaction.
- Leveraged OpenCV and MediaPipe to deliver a responsive and intuitive Human-Computer Interaction (HCI) experience.

- GitHub Link: https://github.com/Nikithasai729/BREAST_CANCER_DETECTION_APP
- Built a deep learning-based medical diagnosis system for breast cancer prediction using neural network architectures.
 - Performed data preprocessing, model training, validation, and optimization to improve classification accuracy.
 - Applied deep learning techniques to support data-driven healthcare analytics and early disease detection.

- GitHub Link: <https://github.com/Nikithasai729/CODTECH-INTERNSHIP-TASK4>
- Developed a Chrome extension to monitor browsing behavior and analyze productivity patterns in real time.
 - Implemented website categorization and usage analytics to provide actionable insights for effective time management.
 - Designed a lightweight and user-friendly interface for tracking productive and non-productive activities.

EDUCATION

Bachelor of Technology (B.Tech.) – Computer Science and Engineering CGPA: 8.88/10	June, 2023 - March, 2027
Aditya College of Engineering	
Intermediate (Class XII)	June, 2021 - March, 2023
Sri Chaitanya Junior College	
Percentage: 96%	
Secondary School (Class X)	March,2021
Sri Chaitanya Techno School	
Percentage: 99%	

CERTIFICATIONS

Generative AI Studio - Simplilearn	May 2026
Quantum-Safe Cryptography - IBM	Dec 2025
Azure DevOps - Infosys Springboard	Nov 2025
Internet of Things (IoT) - Elewayte	Dec 2024
Python for Data Science - NPTEL	Jul 2024 - Aug 2024

ACHIEVEMENTS

- First Prize & Award of Excellence, College Art Gallery.
- Certificate of Excellence for Academic Performance (B.Tech 3-1).
- Participant, Smart India Hackathon (SIH).
- Technical Presenter, Techzion & College Technical Fest.
